

## S.C.Cowlersley 4 V Lindley 0

This was S.C.C back to there best after the last few weeks of poor results and the attitudes of the players not much better, this was a breathe of fresh air.

The lads had sat down before the game and worked out there differences and the manager had done the kind of team talk that has been missing in recent weeks to get the lads in a good frame of mind.

The team went back to it's preferred 3 5 2 with a bit of a shake up regards personal and positions which worked to brilliant effect Kidger replaced Waterworth who was suffering from Gladgerler Fever in the heart of defence McWilliams moved into midfield and bates and Blake replaced Flynn and Waddington up front.

Cowlersley again stared brightly with some awesome football which through out the game proved the down fall of there opponents who just couldn't cope with the pace power and skill of the S.C.C lads. S.C.C took the lead in the 15<sup>th</sup> minute after Milner's 30 yard rasper came back of the bar and fell kindly to the Feet of Blake who tapped in from 6 yards.

S.C.C continued to push forward and got there second on 22 minutes when Bates through ball set Parr free down the right hand side whose cross was met by Blake to tap home his second of the game.

Blake rapped up a lovely hatrick moments later when he beat the offside trap to run through and show great composure for his young age of 17 to smash the ball home into the bottom corner.

The boys had the game all rapped up by half time when McWilliams danced his way through the away teams defence and toe ended the ball into the bottom corner.

The second half was no different to the first with S.C.C been in total control of the game they just couldn't find the final product. Lindley Started to get more and more Frustrated and the game boiled over when L Lindley's number 9 and 10 thought they were BEBOP & ROCKSTEADY and lashed out at Sykes and Milner the S.C.C lads showed there team spirit and fired in to aid there compadres and calm the situation down, Andrew Forster who usual watches the lads play had kindly offered to referee the game and dealt with the situation well by stopping the game and asking both team captains to talk to there players which worked well (Fancy the job full Time fozy?).

Bates was replaced by Flynn who again for the second week running gained himself the Wally of the week for missing an open goal (the cat didn't pounce on this occasion) and the game finished 4.0.

On the whole this was a brilliant team performance from front to back with Blake earning the Man of the match award. The lads need to keep this new found team spirit up for there next couple of games as they play Lamb inn for the third time this season and then away at Cumberworth pay backs a B\*\*\*H and that's what the boys are looking for!!
